

EDCO Collaborative invites you to participate in:

MAY 13, 2010
4:00 PM - 6:00 PM

EDCO SEEFURTH CENTER
WALTHAM

This workshop is designed for teachers who have started using ActivInspire in the classroom or have taken another ActivInspire online or face to face workshop such as Using ACTIVInspire Part I. In this session we will look at classroom flipcharts and share ideas for integrating ActivInspire in the classroom. Curriculum examples will be provided and participants will be encouraged to share through a class wikispace. We will review working with containers, using layers and restrictors to create interactive activities; we will also review navigating the browsers. Use of activexpressions will be incorporated throughout the session. Resources for further training in ActivInspire will be provided. Bring your questions!

Presenter: Barabara Peskin, Technology Integration Specialist, Concord Public Schools, and Certified Promethean Trainer.
Audience: K-12 classroom teachers who are users of interactive whiteboards
Registration: Through the office of Curriculum and Instruction in your district
Fee: \$40 EDCO members / \$50 non-members
Location: EDCO Seefurth Center, Waltham
Register by: **April 30, 2010.** Registrations received beyond that date will be accepted based upon space availability.
