

The EDCO and TEC Collaboratives invite you to participate in:

ENHANCING ENGLISH LANGUAGE LEARNING

*A Professional Development Program for Category 2
of Sheltered English Immersion*

Saturdays

**January 28, February 11,
March 17 and March 24, 2012**

9:00 AM - 3:00 PM

This course is designed to help elementary and middle school classroom teachers learn how to modify their content instruction so they can work more successfully with English language learners (ELLs) in regular classroom settings. Educators will learn how to adapt instruction and materials to help ELLs understand academic content, develop academic and social language, and participate in classroom activities. This course meets the requirements for Category Two of Sheltered English Immersion professional development as needed for the Department of Elementary and Secondary Education's proposed ELL endorsement.
