

The EDCO Collaborative invites you to participate in:

EXCEL: Just Formulas

**Re-Scheduled
April 27, 2010**

9:00 AM - 1:00 PM

Join us to become a formula maven. No formatting, no printing, no extraneous spreadsheet-like instruction. Just formulas: built-in, create your own, conditional, date and time, text, lookups, relative and absolutes, simple, complex, and using range names in formulas. Whew! Four hours of just formulas. If you don't understand what you just read, you need to take this class!! You don't need to be a mathematician to explore the world of just formulas with us. This workshop is for anyone who uses Excel, a little, or a lot!

Presenters: Elaine Cidzik, Computer Consultant
Audience: K - 12 educators and support staff
Registration: Through the office of Curriculum and Instruction
in your school district
Fee: \$75 EDCO members / \$90 non- members
Location: Alcott School, Concord
Register by: **April 15, 2010.** *Registrations received after the deadline will be accepted based upon space availability.*

Questions?? Please call EDCO at (781) 259-3445.
