The EDCO & TEC Collaboratives invite you to participate in:

Physical Education and the Integrated Curriculum

July 12 - 13, 2012
8:30 AM - 3:30 PM
TEC Professional Development Center, Dedham

This course is an overview of brain-based research as it pertains to physical education, and will engage participants in discussions that examine the integration of physical education within the elementary school program. Practical examples will be given to show the connection between elementary physical education and other subject areas in developing a comprehensive team approach to student learning.

Presenter:	Maria Melchionda, Past President of the Massachusetts Association for Health, Physical Education, Recreation and Dance (MAHPERD) and member of the National Association for Sport & Physical Education Public Relations Committee
Audience:	K - 5 physical education teachers and classroom teachers
Registration:	Contact the office of Curriculum and Instruction in your district. Participants will receive confirmation details from EDCO once the course has been finalized.
Fee:	$220 EDCO and TEC members / $260 non-members
Credit Option:	At the first class, participants may choose to register for one graduate credit from Worcester State University for an additional fee of $100.
Location:	TEC Professional Development Center, Dedham
Register by:	**May 30, 2012** Registrations received after the deadline will be accepted if space is still available.

Questions? Please call the EDCO Seefurth Center at (781) 259-3445.
